

SCHOOL NEWS

Week 11

Last week of term!

It has been such a busy term and I feel we rounded it off nicely with our whole school excursion to see Newsies at the Performing Arts Centre last Friday. Elliott was one of the lead actors and performed with enthusiasm and professionalism. Well done, Elliott, it was great to see you in a different performance space. The students thoroughly enjoyed the experience, it was a very entertaining production.

Maths / Science teacher

For term 3, we will welcome our new Maths/Science teacher to the school. Helen comes to us with years of experience in the teaching profession, in both primary and secondary schools. We will introduce you to her next term.

FROM THE CIRCUS

ARTS 8

Anni, Richard, Ben, Rachel and Tal headed off over the weekend to the Arts8 workshop in Sydney. This annual collaboration is such a fantastic way for these elite performing arts training organisations to come together, share ideas and collaborate across artforms. Representatives from all eight organisations had workshops across all disciplines culminating in a short performance for CEO's and the special envoy for the arts Susan Templeman.

LOST PROPERTY

Only a few days left of term so don't forget to look through the lost property piles and take home anything that's yours. Lost property will be donated to the school, op shop or bin after **Friday 28 June**.
