Week 2 Newsletter.

Now to week 2. We have welcomed all the girls back from GWA. It is lovely to have them back in the classrooms. We are settling into a good learning routine for the term.

Covid Vigilance

We still need to be vigilant around Covid testing. We are recommending twice weekly tests for all staff and students. We have RATs available for the students and will distribute them this week. We have a few students away sick; can we ask that you call us and the circus as soon as possible so we can mark the rolls appropriately and avoid sending you annoying SMS's.

Winter is coming...

As the days become colder, please remember to follow the winter school uniform dress code. The FFFC black jumpers should (fingers crossed), be available in the next week. In the meantime, blue or black jumpers and trackie pants. See uniform note further in the newsletter.

NAPLAN

NAPLAN testing starts next week. We have scheduled tests around training times so there will be little disruption to training schedules. Tests commence on Tuesday 10th and finish on Friday 13th. The following week will be for catch-up testing for students that were away.

Please remember, Monday is a pupil free day.

Staff will be undertaking professional development on this day.

Art

During term 1, Nishar worked with the students developing their understanding of colour theory in their Art classes. They have used their knowledge and skills to create some beautiful works.

Check out the amazing photos of the finished work on page 2 and 3.
