## Student Success Post Covid

While we are back to face-to-face teaching, the impact of Covid (and influenza), continues to be felt. As a school we are monitoring student progress to ensure our students have every opportunity for academic success. Over the holidays I will be looking at ways to help 'catch the students up'. We are hoping to increase some of the core subjects for the semester. More information is to follow at the start of term 3, when we know what is needed.
