Monday 25th July. Come to school wearing red and green (or Christmassy things) for our Christmas in July.

Happy Christmas! Gold coin donation will be collected by the SRC.

Tempo

We are pleased to welcome back the Tempo cast. What a wonderful sell-out tour they had at the Opera House. Again, our congratulations to Lucie, Tameka, Barney, Jacob, Peter, and Finn.

School Uniform

Students are to be always in their school uniform. Once training is finished, they are to change into their uniform (for obvious hygiene reasons).

If they are out of uniform at school, we will contact you to let you know. A spare uniform from school will be provided for that day.

Face Masks

"The Victorian Department of Health strongly recommends that face masks are worn in indoor settings.

As a result, we are asking all students aged 8 and over and all staff in all schools across Victoria to wear masks when in class (except where removing a mask is necessary for clear communication) from now to the end of winter.

Students won't be required or expected to wear masks when outdoors, and this expectation won't stop student participation in the full range of school activities, including music, sport, and performances.

We are asking for your support in explaining to your child or children the importance of this simple step that will help keep our schools as safe as possible.

We also ask that you make sure your child (or children) takes a mask to school (and wears it if they are travelling on public transport) or collects a mask when they arrive at school.

We all appreciate how important it is for students to be back at school. This action will help make sure as many students and staff as possible are protected from COVID and other winter illness.

Thank for your help with this collective effort to keep our communities safe and healthy."
