FFCS Playground

The weather continues to remind us that we are still fully into winter. The playground area at the back of the school looks more like a swimming pool! We are keeping students away from the equipment until the water drains away.

Fundraising

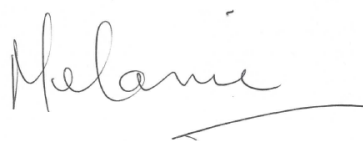

On Friday, we had **Jeans for Genes Day**. This was an initiative of Fraser Hanssen's. We raised \$32.90 which was donated online on behalf of FFFCS. Thank you to everyone who participated in this event.

School Immunisation Program: WMYC – Flying Fruit Fly Circus School

The second round of **Year 7** school immunisations is being conducted at school on **Monday 12th September 2022.**

The following vaccines will be offered on this day:

YEAR LEVEL	VACCINES OFFERED
YEAR 7 MALE & FEMALE STUDENTS	GARDASIL9 (HPV) DOSE 2 FINAL DOSE

These vaccinations are funded as part of the Victorian Secondary Schools Immunisation Program. Should your child miss out on starting their vaccination course this year they may not be eligible to receive them for free in subsequent years in the school program.

Consent cards should have already been signed and completed for these vaccinations earlier this year.

Please ensure that your child is wearing a short sleeve shirt on the vaccination day (without any long-sleeved layers underneath), this will enable a smooth vaccination process.

Parents/guardians who wish to withdraw their consent for any reason may do so by emailing or phoning the school, and Council's Immunisation Team on immunise@wodonga.vic.gov.au **before the vaccination day.**

If your Year 7 child missed the first dose of vaccines, please contact council's immunisation team on 1800 655 360 to obtain a consent card (if consent card previously not returned). Council can administer the first dose of vaccines at school on 12/09/2022 if we have a signed consent card. To complete the vaccine course, students must attend a council immunisation session or their GP, 6 months after dose 1 was given.

If your child has been vaccinated elsewhere and you have not already done so, please notify council's immunisation team on 1800 655 360.

If you **DO NOT** wish for your child to receive any further vaccinations or if you have any enquiries about the program or your child's vaccinations, please contact Wodonga Council's Immunisation Team on 1800 655 360.

FROM THE CIRCUS – WEEK 5: 8 – 12 August 2022:

We are flying higher than ever after last week's announcement of a major new project that will transform our Albury home.

We're extending our already amazing building to create the Borderville Studio Theatre, an exciting new space for creating and performing circus. This \$3.9M project will be our biggest since our current facility was constructed in 2009/10. This has been made possible by a \$3.3M investment from the NSW government's Creative Capital Fund, announced by NSW Minister for the Arts, the Hon. Ben Franklin and Member for Albury Justin Clancy, when they visited our circus on Wednesday last week.

The Minister said the Flying Fruit Fly Circus is "the most important circus space in the nation" and "the new extension will shape Albury as the premier destination for the development and presentation of contemporary circus works in NSW."

The Borderville Studio Theatre will be an important new learning space for our students and a national asset for our physical theatre sector. It will be place for artistic exploration and innovation with a clear purpose to support the development of new contemporary circus works.

We will have more to say about this in the coming weeks and months.

PLAY YOUR PART IN THE NEXT STAGE OF OUR EVOLUTION!

We are seeking to raise an additional \$50,000 to complete the venue fit-out. For a \$100 donation, or \$1,000 if you're a local business, your name will be forever displayed on our Founders Wall in the entrance lobby of the new studio.
