

SCHOOL NEWS

Week 2

As part of our Respectful Relationships program, our students excelled as they hosted a wonderful morning tea yesterday for our special guests (Steve Fouracre Principal WMYC, Megan Slade Business Manager WMYC, and circus representatives Tahni, Donna, Bek (and baby), Stodge and Kirsty). From welcoming our visitors with big smiles to confidently serving food and refreshments (great job, primary students), the students showed excellent manners and teamwork throughout the event. The students engaged in meaningful conversations with our VIP's, finding out lots of information about them and how they are connected to our school.

The 345-class cooked and prepared food to share and then waited on our guests and the remaining students. They all looked the part in their aprons and beaming smiles, carrying trays of hot and cold food items to designated tables, and serving tea, cordial and water.

We would like to say a HUGE thank you to all of our students for the way they represented our school, to the families who supplied morning tea items and to our VIPs for their interactions with the students.

Upcoming Events:

- 5 August – year 3 – 6 swimming lessons commence
- 5 August – Dress in Rainbow Day
- 8 August – Wodonga Federation of Government Schools Conference – Pupil Free Day

A special mention goes to Jemima and Imogen, who did a fantastic job as MCs. Their clear voices, warm presence, and professionalism ensured the morning ran smoothly and created a welcoming atmosphere for everyone.

On a sidenote the 345s learnt a valuable life lesson – if you are going to work in hospitality make sure you eat before the start of your shift because serving delicious food to other people can make you very hungry and you never know if or when you will get a break and something to eat!

Our VIPs were full of praise for the students, commenting on how much they enjoyed the event and how impressed they were with the effort and enthusiasm shown by our young hosts. It was a wonderful celebration of our students' skills and hospitality.

Thank you as well to the students and parents who added food for the event. We had so much to eat! Of course, none of this happens without the help of the staff at the school. A very big thank you to them for all the quiet work and planning that goes on in the background. Everything ran so smoothly thanks to Susanne, Jan, Helen, Greg, and Shelley (who is away but prepared food for us to share).

From 6/7 Maths:

Helen took this photo of the 6/7 maths class, wanting to share with you her satisfaction at how the students come from training and settle straight into their learning.

Student of the week:

After all their hard work, of course we have given the student of the week award to all students in Z34. Congratulations to the Z34 class. You were well organised and presented, carrying out your duties and taking great pride in your work.

Wellbeing news:

Next week the students will be focusing on Diversity and Inclusion. As part of this Susanne would love for all the students to come dressed in rainbow colours on Tuesday 5th August. This is a no cost activity, so coin donation is not required. There will be a parade and some small prizes to be handed out.
