Year 6/7 Academic Diligence Recipients:

Year 8/9 Academic Diligence Recipients:

Well done to all of our award recipients. Your hard work over the first semester has really paid off for you – we had a high number of diligence awards because so many of our students achieved our cut off level! We may have to review the criteria and raise the bar a little.

Thank you to the SRC class leaders who, under the guidance of Will (who has organised many award ceremonies), presented the ceremony in a truly professional manner. Everyone spoke clearly and confidently and in full appreciation of the honour of such an occasion. Our teachers showed immense pride in our students and were delighted to acknowledge and reward the hard work that has been completed in the classrooms.

Student of the week:

Well done, all members of our SRC. As mentioned, your presentation of our award ceremony was very professional and the whole program ran smoothly under your leadership. It was definitely a moment of great pride for your teachers! Congratulations.

Vaccination Catch Up Program:

School Catch-up vaccinations are being conducted at this school on **Monday, 15 September 2025**

WELCOME WINTER CYAN

On Monday Winter Cyan, Ellie Grow and Harlow Carey join us in Albury for their Under Construction creative residency. Their project *Signal* is a contemporary circus show that uses technology to translate acrobatic movement into live music. The residency will give them the opportunity to undertake further development, refine and build on the accessibility of the work.
