

SCHOOL NEWS

Week 9

At the school this week we are working on trying to finalise outstanding work, and the School Reports were due for our teachers.

The reports will look slightly different this semester, as the WMYC Curriculum team have gone to a new system and have adjusted the format. The reports are not as specific in regard to topics as we would prefer, but I am assured that they are adjusting slightly next year. I would encourage anyone that has specific queries about Curriculum levels for reports to contact us, or please make a time to see the teachers at the next Student Led Conferences.

Our students have been working extremely hard with their training sessions for Borderville and we are conscious of energy levels rising and falling through the day. Please let us know if they need extra support in their day.

I would like to ask for the following support between now and the close of term:

Please encourage the use of correct uniform, making sure that Hoodies, T Shirts and Bicycle shorts are not to worn as their uniform at school. It is important for us to maintain this standard while the students are in attendance at school.

We are having our end of year **Awards Ceremony** on the last Monday morning of term. If your child is receiving an award on that morning, we will contact you via text or email to let you know.

If your child intends to attend the **excursion to see Zootopia 2** in the last week of school, could you please finalise their excursion permission on the portal and pay by Friday, or please let Jan in the Office know they intend to be away that day.

Thank you very much for your ongoing support. I have attached the last week of school program that we have developed to finalise outstanding projects and have some end of year fun.

Health and PE

Jade took the students for a friendly volleyball game last week. Not sure what the final result was but it seems by all accounts to have been fun!

CLASS CLOWNS 2026

The search for Australia's next teen comedy sensation!

Melbourne International Comedy Festival's national competition and workshop program, Class Clowns, is back in 2026 to inspire, engage and elevate humorous people aged 14–18. All it takes is 3-5 minutes of original material in any genre - whether it's stand-up, sketch, solo, group, musical or physical comedy - the possibilities are endless! Participants take part in a free workshop to fine-tune their acts under the guidance of a professional comedian before taking to the stage.

The funniest acts will earn a trip to Melbourne to perform at the National Grand Final, and the chance to win a \$1,500 cash prize plus a workshop package for their school

To register and find out more head to classclowns.com.au.

HOSTING

We'd love to hear from any families might be interested in hosting a new student joining the Flying Fruit Fly Circus in 2026. Homestay families play an incredibly important role in making it possible for young people from across Australia (and sometimes overseas!) to take part in the unique circus experience we offer here. By opening your home, you're giving a student the chance to pursue their dream and be part of something truly special.

Many families have found hosting to be a deeply rewarding experience, building lifelong friendships and gaining a real sense of pride in supporting the next generation of Fruit Flies.

If you'd like to learn more or register your interest, please contact Melanie McClure mmcclure@wmyc.vic.edu.au and I'll be in touch to chat through the details.
